## May and June student travel groups

W/NP travel is designed to expand global awareness and deepen the participant's knowledge of the international community, especially international development efforts striving to meet human material needs. These experiences contribute to a person's internationalization and general education through direct exposure to cultures outside the U.S.

Comments from students post trip...

*"...I wouldn't trade this trip for a glitzy one in Europe or a vacation in the Caribbean. This trip helped me realize the person who I was before wasn't who I really wanted to be. I want to be thankful for every breath of life. I want to help in the best ways possible. I want to be attached to reality and unattached to my phone. I wanted to change. I am so grateful that I have."*

## Appleton Partner City Annual Rummage Sale

This annual sale has been a huge success. The results impact the winter Partner City project. We also use some of the money raised for things like shipping, helping the learning centers, support for teacher Carmen in Llano Largo and special requests from our friends in Nicaragua. Thank you in advance for your help. It will be fun. We are planning on hot dogs and brats and soda/water at noon either Thursday or Friday (TBD). Let me know if you have questions. - Linda

June 8, and 9, 8:00-4:00  
June 10 8:00-12:00  
340 W. Capitol Drive, Appleton, WI
