

LC. MEETING MARCH 2019

According to the calendar of monthly meetings in 2019, we moved to the Dulce Porvenir Learning Center is located in the Municipality of Tipitapa. There was a participation of 85 people representing 28 leaders of Centers.

The first participation was in charge of Professor Hector, spoke about the importance of the Bio-intensive method that is a viable alternative to produce food without agrochemicals. He mentioned the importance of farming at home to improve family feeding.

The class was interesting, there was a lot of participation from the listeners. There was a demonstration of seeds of the vegetables that we usually use at home but that we ignore their proceed.

The second intervention was Professor Moisés Ortiz, talked about beekeeping, honey, its importance and benefits. He showed the beds they use to raise bees, talked about apitherapy, mentioned what bees need. Questions were raised by the participants about how bee honey is produced, how to identify when honey is adulterated and how to make it so that the bee does not leave.

Then, a group went out into the field to see the crops and see the pigs raising, and the other group visiting the other work rooms.

It is reported that on Monday, April 1, 8 leaders of different learnings centers will join the sewing machine repair workshop for training additionally to the once already receiving the class. The purpose of this training is to strengthen their capabilities to repair sewing machines at their respective learning centers.

TOOL LIBRARY PROJECT:

This project was discussed, the learning centers can offer the tools as a service to the community when they need them to work in carpentry or other projects. They will be lent for a symbolic value. Each Center that is interested should send a list of tools that can be used in their community no later than Tuesday of next week.

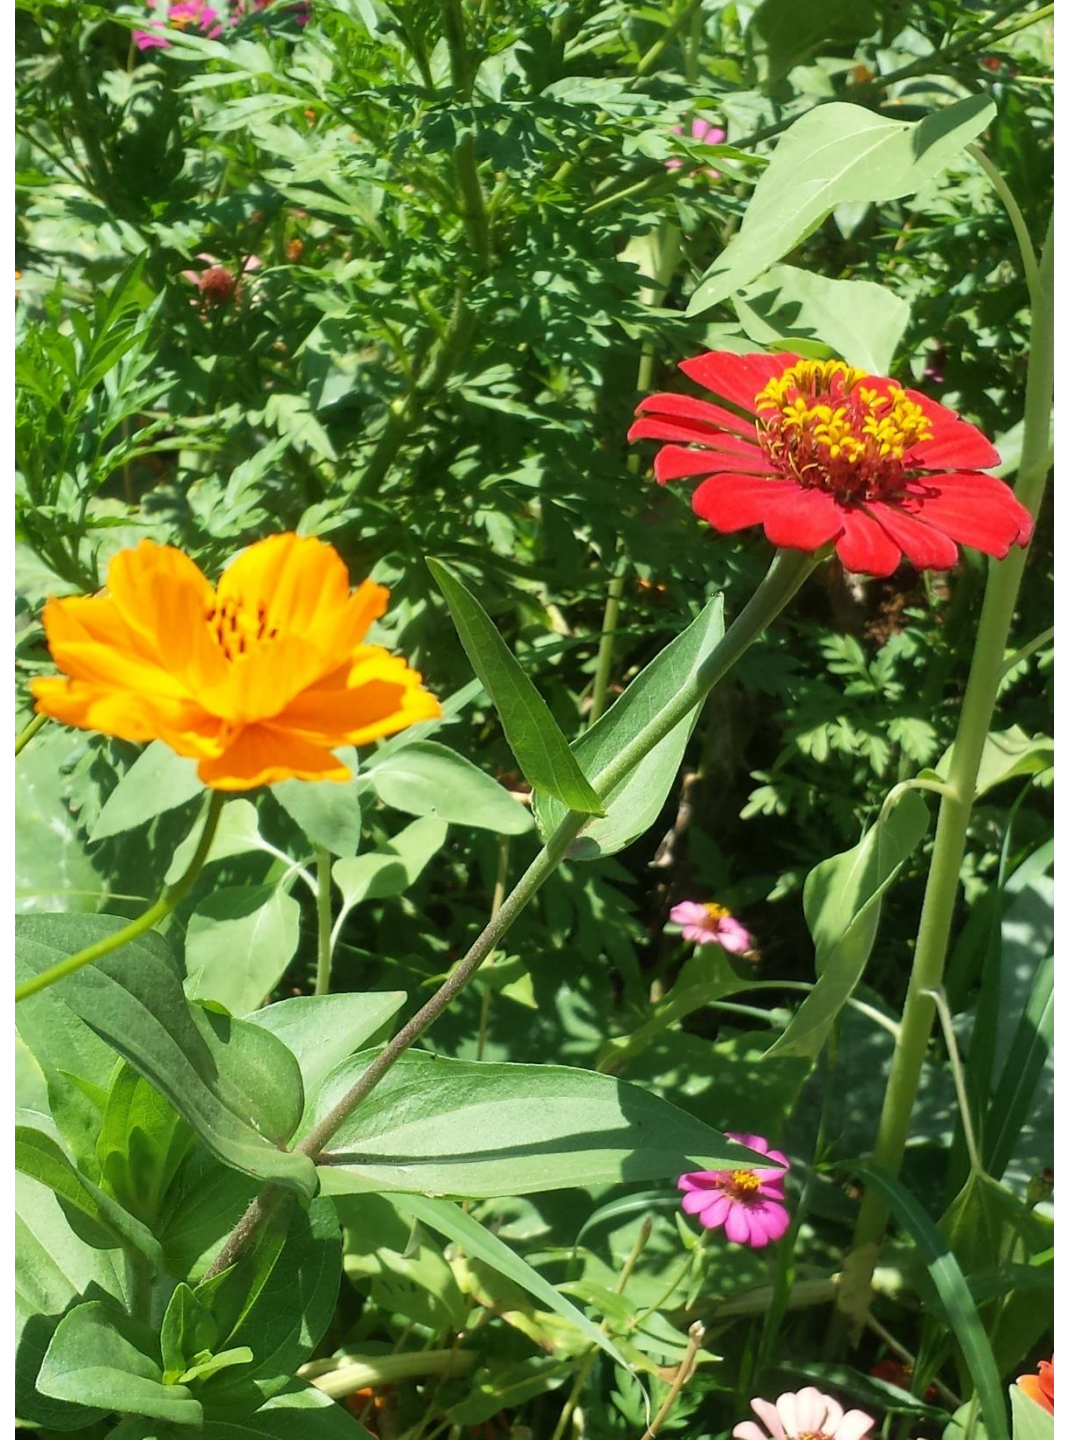

A raffle with a value of C\$ 10 (\$ 0.30) was made in order to raise funds, 2 people were rewarded with Jewelry(donated from Wisconsin). C\$ 430.00 (\$13) were collected.

COMMENTS:

We thank WNP, Doña Liliam, rainbow team and instructors for giving us this learning opportunity, we are delighted and motivated by the work they do, it is hard work but they do it with vocation, humility, patience and love that is clearly reflected in their achievements.

The experience that we take is pleasant, learning is what really impacts our lives. It will try to encourage people to participate in these beautiful experiences, everything they offered us is surprising and very useful in everyday life.

A photograph of a group of people, likely in a rural or agricultural setting, with their hands raised in the air. The scene is outdoors, with lush green vegetation in the foreground and background. A person in the foreground is wearing a light-colored long-sleeved shirt and a brown beaded bracelet. The text is overlaid in the center of the image.

Thank you for the effort
you make to hold these
meetings and always takes
us in consideration.
