Before finalizing

A vote was requested to change the meetings every two months but the majority of the leaders asked that they stay as they were, the last Saturday of each month from 9 am to 1:30 pm.

Some of the participants expressed they should continue the meetings every month because they feel as a family now and if they miss one month they will miss each other.

Other participants mentioned meeting every two month would feel like they would lose sequence of the activities of each LC.

They need to feel the warmth of each other and to be able to share with each other.

Donations of leather pieces and coffee mugs (*Donated by River Valley*) were given to each participants. Thanks to those who brought food and beverages and to the Rainbow team from Tipitapa who donated the vegetables.
