All In Wisconsin Tour [Click here for video](#)

The All In Wisconsin Tour stopped at UW-Stevens Point on Wednesday, October 30, 2019. Purpose of the tour is to showcase the incredible value universities provide to students, families, and taxpayers. The event involved meetings with business and community leaders, direct engagement with students, and media opportunities to promote the benefits and value of the campus to its region. UWSP is home to over 200 student organizations, one of three selected to present for the UW President, Ray Cross and the Board of Regents was the Student Chapter of Wisconsin/Nicaragua Partners. Chapter President Ellen Ryder along with Publicists

Officer Nick Bielski highlighted how the Wisconsin-Nicaragua student organization brings benefit to the campus and the community. Fabulous presentation!
