WHO: Anyone (groups and or individuals)

WHAT: Bike or Hike (record your miles)

WHERE: ANYWHERE

WHEN: The whole month of October (at YOUR convenience)

WHY: Raise awareness for meaningful humanitarian projects

Wisconsin Nicaragua Partners is a nonprofit organization that works to provide community and social development projects as well as humanitarian relief to the people of Nicaragua, through a wide variety of ways, mainly through people to people connections.

The "I Went the Distance" Bike/Hike to Nicaragua (and Wisconsin!) is an event to raise awareness about Wisconsin/Nicaragua Partners of the Americas, Inc. (W/NP) and offer an exciting volunteer experience.

What makes the Bike/Hike event unique is that not only are people in Wisconsin participating in this statewide event but our counterparts in Nicaragua are also joining in as well – Working Together, We Make a Difference!

At the end of October, approximate miles are tallied up among all the participants to reach our mileage goal of 2,350 miles, the distance between Wisconsin and Nicaragua. The event is designed with options of organized walks or simply at your own convenience during October.

New long sleeve option this year!
