

What is the Bike/Hike event?

The "I Went the Distance" Bike/Hike to Nicaragua (and Wisconsin!) is an event to raise awareness about [Wisconsin/Nicaragua Partners of the Americas, Inc.](http://www.wisnic.org) (W/NP) and offer an exciting volunteer experience.

A motivation to get outside and the event can be done in small groups or

as individuals, with no specific time or date other than during the whole month of October!

Together we can reach the goal of going the distance from Wisconsin to Nicaragua. We strive to make this event doable for as many people as possible. W/NP is a non-profit organization that works to provide community and social development projects as well as humanitarian relief through a wide variety of ways, and a variety of places!

Working Together, We Make a Difference!

At the end of October, approximate miles are tallied up among all the participants to reach our mileage goal of 2,350 miles, the distance between Wisconsin and Nicaragua.

PLEASE THANK AND SUPPORT OUR GRACIOUS EVENT SPONSORS THAT MAKE THE BIKE/HIKE POSSIBLE!!
